U.S. AIR FORCE

One Team; One MHS

- **AFMS committed to building an integrated MHS where the DHA and Services are supported/supporting each of our missions**
 - **4 AF MTFs transitioned in Phase 1**
 - **Keesler, Charleston, Seymour Johnson, Pope**
 - **Transferred Medical Facilities function ahead of schedule**
 - **Supported the tIMO with personnel**
 - **Stood-up SG Transition Cell to facilitate collaborative problem solving across the MHS**
 - **Restructuring AFMS Headquarters to focus on delivering medical readiness to our Wings and supporting DHA in delivering healthcare**

Integrity - Service - Excellence

U.S. AIR FORCE

AFMS Way Ahead

- **AFMS Priorities**
 - **Achieve Full Spectrum Readiness: Agility/Lifesaving**
 - **Embedded Medics/Integrated Operational Support**
 - **Revitalizing medical readiness – Medical Red Flag**
 - **Strengthen Joint Warrior Medic: Build joint medical teams**
 - **Identify current/new joint medical requirements**
 - **Joint Education**
 - **Drive AFMS Transformation**
 - **Restructure HQ/FOAs/MAJCOMs**
 - **Collaborate w/MHS Transformation**

Readiness is Top Priority... there is no other option!

Integrity - Service - Excellence
