3. Identify recommended screening procedures for GU injured veterans to recognize urinary, sexual, and psychological effects to improve health and well being of veterans with GU injury
4. APA Participants Only: Discuss report results regarding the psychological effects of combat-related genitourinary (GU) injury diagnosis war veterans
5. APA Participants Only: Describe the results of the GU in US Male Iraq and Afghanistan War Veterans study as they relate to the psychological patient
6. APA Participants Only: Identify recommended screening procedures for GU injured veterans to recognize urinary, sexual, and psychological effects to improve health and well being of veterans with GU injury

Faculty, planners, and staff disclosure information

As an accredited provider of continuing education for health professionals, it is the policy of Professional Education Services Group to require the disclosure of potential conflicts of interest from anyone who is in a position to control the content of an educational activity. All relevant financial and/or non-financial interests with

any commercial interests and/or manufacturers must be disclosed to participants at the beginning of each activity. PESG staff and the planners and reviewers of this educational activity have nothing to disclose. The faculty and developers of this educational activity have no relevant financial and/or non-financial interests to disclose.

Intended audience

This continuing education activity provides CE/CME credits (contact hours, CEUs) for:

- Physicians
- Nurses
- Nurse Practitioners
- Pharmacists
- Pharmacy Technicians
- Health Care Executives
- Non-Physician CME
- Psychologists
- Other Participants

Accreditation statement

Physicians:

This activity has been planned and developed in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the sponsorship of AffinityCE. AffinityCE is accredited by the ACCME to provide continuing medical education (CME) for physicians.

ACCME
ACCREDITED

AffinityCE designates this CME activity for a maximum of 1.00 hours of *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses:

AffinityCE is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's COA.

AffinityCE designates this CNE activity for a maximum of 1.00 Contact Hours. Nurses should only claim credit commensurate with the extent of their participation in the activity.

Nurse Practitioners:

This activity has been planned and implemented in accordance with the accreditation Standards of the American Association of Nurse Practitioners (AANP) through the joint providership of AffinityCE and the %CLIENT%. AffinityCE is accredited by the American Association of Nurse Practitioners as an approved provider of nurse practitioner continuing education. Provider number: 031105.

This program has been granted a maximum of 1.00 contact hours.

Pharmacists:

AffinityCE is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. ACPE Universal Activity Number: 0829-9999-18-347-H04-P. This activity will provide up to 1.00 contact hours (0.10 CEUs) of continuing education credit. Release date: 26 November 2018.

AffinityCE designates this as a Knowledge-based activity.

There is no cost to participate in this activity. Participant CE records will be electronically communicated to CPE Monitor.

Pharmacy Technicians:

AffinityCE is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. ACPE Universal Activity Number: 0829-9999-18-347-H04-T. This activity will provide up to 1.00 contact hours (0.10 CEUs) of continuing education credit. Release

date: 26 November 2018.

AffinityCE designates this as a Knowledge-based activity.

Health Care Executives:

AffinityCE is authorized to award 1.00 hours of pre-approved American College of Healthcare Executives (ACHE) Qualified Education credit (non-ACHE) for this program toward advancement, or recertification in the ACHE. Participants in this program wishing to have the continuing education hours applied toward ACHE Qualified Education credit should indicate their attendance when submitting application to the ACHE for advancement or recertification.

Non-Physician CME:

AffinityCE is accredited by the ACCME to provide continuing medical education (CME) for physicians. This activity has been planned and developed in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the sponsorship of AffinityCE.

Psychologists:

AffinityCE is approved by the American Psychological Association to sponsor continuing education for psychologists. AffinityCE maintains responsibility for this program and its content.

This activity provides 1.00 hour of continuing education, 1.00 **CE Credit**. The instructional level of this activity is intermediate. There is no cost to participate.

Other Participants:

This statement of participation may be used for professional education CE credit. Please consult your accrediting organization or licensing board for their acceptance of this CE activity.

This activity has been planned, accredited, and implemented in accordance with the guidelines set forth by the following organizations: ACCME; ANCC; AANP; ACPE; ACHE; Non-Physician; APA .

Unapproved/off-label use disclosure

PESG requires CE faculty to disclose to the participants:

1. When products or procedures being discussed are off-label, unlabeled, experimental, and/or investigational (not US Food and Drug Administration [FDA] approved); and
2. Any limitations on the information presented, such as data that are preliminary or that represent ongoing research, interim analyses, and/or unsupported opinion. Faculty may discuss information about pharmaceutical agents that is outside of FDA-approved labeling. This information is intended solely for CE and is not intended to promote off-label use of these medications. If you have questions, contact the medical affairs department of the manufacturer for the most recent prescribing information.

Method of Participation

In order to claim credit, participants must complete the following:

1. Watch, read, and/or engage in the activity.
2. Complete the CE post-test and evaluation. Participants must achieve a score of 70% on the post-test. Upon successful completion of the online test and activity evaluation, you can instantly download and print your certificate of credit. For Pharmacists and Pharmacy Technicians, this information will be reported to CPE Monitor.
