

AMSUS 2019 Annual Meeting

POSTER ASSIGNMENTS

11.26.19 See the Mobile App Event Scribe – AMSUS 2019 for more details

1	VACAA: Building a Pipeline of Primary Care and Mental Health Care for Veterans	VA
2	Wounded Warrior Project's Wounded Care Network: Innovating Treatment for PTSD Perspectives from the Field	Wounded Warrior Project
3	Utilization of Selected Rehabilitation Services within VHA System, FY 2014 through FY 2018, for VHA Healthcare Administration	US Dept Veterans Affairs-VACO
4	Title TBA - James Herrera (PH&W)	
5	Developing Holistic Interventions for Insomnia Veterans-- Where There's a Will, There's a Way. Pilot Study Results from an Academic-Community Partnership	Auburn University School of Nursing
6	Learning Core Leadership for Improving Health: Seeing the Problem We Don't See	Arbinger Institute
7	Novel Approaches for Treating Posttraumatic Stress with Synergistic Sleep and Multi-Modal Memory Desensitization and Reconsolidation Immersion Therapy Program	Naval Health Research Center & Veteran's Medical Research
8	The Life Course of Homeless Female Veterans: A Qualitative Study	Center for Medicare and Medicaid (CMS)
9	Characteristics of Active Duty Service Members Enrolled in an RCT of the Navy's Standardized Weight Management Program	Naval Health Research Center & Veteran's Medical Research
10	A Model for Destigmatizing and Expanding Mental Health Care in the Military	U.S. Navy
11	Mindfulness Training with Operational Units: Performance and Psychological Fitness	Walter Reed Army Institute of Research
12	Mindfulness and Chronic Pain	ICE Health Service Corps/United States Public Health Service
13	Service Access Teams: Deployment Adaptability and Innovative Response Tactics to Meet the Needs of Public Health Emergencies	
14	Transforming Paradise: Integrating Behavioral Health Analysis in community recovery plans post California Wildfire	PHCoE
15	Cultural Awareness Training: A Strategy for Increasing Cultural Competency and Reducing Health Disparities	USPHS

16	Emotional Intelligence In Second Year Medical Students Under Extreme Stress Training and Surgical Simulation	Rocky Vista University
17	Effectiveness Measures of Stigma Reduction Efforts in the Military	ICF/PHCoE

18	How do mood states and sleep change during military operations?	US Army / USARIEM
19	Pacific Tele-Behavioral Health: Tri-Service connections of quality behavioral health care	USPHS/DoD, Tripler Army Medical Center
20	Child Abuse and Neglect in the Department of Defense: A Report from the Defense Health Board	US Navy
21	Preoperative Depression Affects Health-Care Related Quality of Life Following Lumbar Fusion	Drexel University College of Medicine
22	Methamphetamine Related Child Abuse and Neglect for the State of New Mexico	University of New Mexico Hospital
23	Integrating Behavioral Health Technicians into the full Spectrum of Military Mental Health Care: Supporting Warfighter Readiness through Provider Extender Optimization	PHCoE
24	Service Member Perceptions about Seeking Mental Health Care: What Do The Policies Say?	Atlas Research
25	Building Partnerships within the Community to Enhance the Health of the Nation	Phoenix Indian Medical Center (IHS-USPHS)
26	Improved utilization of the Psychiatric Mental Health Nurse Practitioner (PMHNP) by standardizing practice across the Military Health System	Uniformed Services University
27	Planting the Seeds of Innovation Through Community Partnerships	Whiteriver Service Unit, IHS, USPHS
28	The U.S. Army Child and Youth Services Healthy Menu Initiative: A Model for Improving the Food Environment throughout Military Communities	Kansas State University
29	Addressing the Intersection of HIV and Intimate Partner Violence (IPV) among Women in the US through Evidence-based Prevention Approaches	HHS
30	<i>“Strategic Partnership Tactics for a Mental Health Awareness Campaign to Increase Access to Psychological Health Information”</i>	Real Warriors Campaign
31	Cognitive behavioral therapy with medication management at the first sign of PTSD symptoms is essential in improving quality of life.	United States Navy Reserves

32	Change the Map: Opioid Overdose Reversal Training	National Institutes of Health
33	Prevalence of Alcohol Abuse and Other Drug Use Amongst Social Workers: Literature Review of Impact Including Prevention and Resiliency Strategies	United States Public Health Officer
34	Trajectories of Self-Reported Sleep Quality in Active Duty Army Soldiers	US Military Interservice-PA Program, AMEDDC&S HRCoE

35	Compounding Fundamentals - An FDA Perspective of 503A and 503B Compounding Pharmacies and the Impact on Patient Care	FDA
36	The Impact of Fear-Related Behaviors in the 2013-2016 West Africa Ebola Virus Disease Outbreak and Suggested Prevention Strategies	United States Public Health Service
37	The Individual Readiness Model: A Training Paradigm	Bureau of Medicine and Surgery (BUMED)
38	Mumps in Southern U.S. Border: Prevalence of Disease Migration in Honduran Immigrants and Impact on Detention Settings	United States Public Health Services
39	Measles: US Military Preparation and Response to Global Outbreaks	Defense Health Agency
40	Use of Whole Genome Sequencing (WGS) to Improve Food Safety: Ensuring Public Health for Generations to Come	United States Public Health Service/USDA-FSIS
41	Optimizing Inpatient Antibiotic Stewardship Efforts in the Military Health System	Army Pharmacovigilance Center
42	Combating Nicotine Addiction through Association and Academic Partnerships	FDA
43	stand by for update to this poster information 10.4.19 Electronic Nicotine Delivery Systems (ENDS) Use in Youth: An Overview	Phoenix Indian Medical Center
44	Adolescent Use of Electronic Cigarettes: Seeing Through The Haze	USPHS/IHS
45	Perceptions of Supervisor Deterrence of Tobacco Use: Results from the 2015 Health-Related Behaviors Survey	DoD, Defense Health Agency
46	The Prevalence Rate of Cigarette Smoking among Congestive Heart Failure Patients at a Local Family Health Center	Systems Plus
47	A brief history of the FDA's Center for Tobacco Products and what Engineers do there	US Public Health Service Commissioned Corps

48	Evaluating Education for Preventing Teen Vaping and Opioid Addiction through Quantitative Analysis during Parent Teacher Student Association Meetings in Maryland	USPHS/FDA
49	Kratom: FDA's response to the dangers of marketing illegally imported and unapproved supplements in the treatment of opioid addiction	USPHS/ FDA
50	Ketamine Administration by Special Operations Medical Personnel	Texas Army National Guard
51	Do N SAIDS or E xecuting E xercise D ecrease L ocal E rythema, S ite S welling & P ain A fter I n oculation: the NEED LESS PAIN Study	Defense Health Agency Immunization Healthcare BranchSouth Atlantic

52	Shoulder Injury Related to Vaccine Administration: The Military Experience	Defense Health Agency Immunization Healthcare BranchSouth Atlantic
53	Urticaria Temporally Associated with Influenza Vaccination: A Case Series	Defense Health Agency Immunization Healthcare BranchSouth Atlantic
54	GIFTS: Growing Innovation + Foresight Through Synergy, as a model to improve access to care, employee engagement and Veteran experience.	Hampton Veteran Affairs Medical Center
55	Ketamine infusion as an alternative treatment for pain and depression: implementing administration procedures at a rural Indian Health Service facility	Indian Health Service
56	Anaphylaxis to Yellow Fever Vaccine: A Case Series	DHA
57	Implementation of Pharmacy Quality Alliance Measures within the Military Health System	Department of Army
58	Patient Toolkit for Transition of Care of Active Duty Patients with Inflammatory Bowel Disease to the Veterans Administration Healthcare System	brooke army medical center
59	Improving Usefulness of Prescribing Information for Topical Prescription Drugs in Dermatologic Conditions to Promote Safe and Effective Use	FDA/CDER/Office of New Drugs/Division of Dermatology and Dental
60	Pharmacist Leadership and Partnership in Transgender, Gender Dysphoria Medical Care in ICE Health Service Corps Detention Facilities	United States Public Health Service Commissioned Corps
61	Antimicrobial Stewardship Programs (ASPs) in the Military Health System (MHS): Assessing Program Efficacy and Guiding Future Action	Battelle Memorial Institute
62	Opioid prescribing to Army Afghanistan and Iraq veterans declines after implementation of High Risk Polypharmacy and Opioid Safety Initiatives	University of South Carolina
63	Bioequivalence Approaches for Generic Drug Product Development and Approval in the U.S.	Food and Drug Administration (FDA)

64	Antimicrobial resistance of enteric pathogens in the Military Health System, 2009 - 2018	DHA Public Health Division, Armed Forces Health
65	Development of a capability to track blood inventory, donations, and transfusion in an off-line mode	Axiom Resource Management, Inc.
66	Epilepsy Treatment Update for Patients Suffering from Seizure Clusters	UCB
67	Operational Medicine Health Information Technology User Readiness, a Qualitative Analysis	Axiom Resource Management, Inc.
68	Strategies for Safety: A Review of DoD Vaccine Administration Errors	DHA- Immunization Healthcare Division

69	Heat Maps, Tree Maps, and Packed Bubbles: Visualizing clinical information for accelerating data-driven decision making	Axiom Resource Management, Inc.
70	Emergency preparedness for radiological/nuclear scenarios – capabilities of the Bundeswehr Institute of Radiobiology and the important role of senior NCOs	Bundesministerium der Verteidigung / Bundeswehr
71	The Qualification of Medical Personnel for Military Evacuation Operations – Quo Vadis?	Bundeswehr
72	How the legal requirement to implement minimum nurse staffing levels affects Bundeswehr hospitals	German Bundeswehr
73	Food Chemistry in a “One Health Approach”	Central Institute of the Bundeswehr Medical Service Munich, German
74	„Telemicrobiology“ as mission support in the field of infectious diseases	German army
75	Improving Accuracy and Speed of Urine Drug Testing in Opioid Therapy	Naval Hospital Pensacola
76	Kinks in the Cold Chain: Managing the Vaccine Cold Chain	DHA- Immunization Healthcare Division
77	Partners in Protection: DoD Influenza Vaccination Coverage Comparison	DHA- Immunization Healthcare Division
78	Internationally Standardising the Approach to GHE: A UK Perspective	
79	Army Veterinarians Contribute to Global Security	Defense Health Agency

80	Updates in Chemical Decontamination Methods for Operational Rations and Military Working Dogs	Defense Health Agency
81	Zoonotic and Infectious Disease Surveillance in Canine Populations from Varying South American Regions - <i>Enhancing Warfighter Lethality Applying One Health</i>	US Army
82	Systematic Recovery Potential Screening and Screening Data Use in Patients with Musculoskeletal Conditions	U.S. Army / DHA
83	A Nursing Skills Fair in An Austere Military Environment	US Army/Walter Reed National Military Medical Center
84	Extended Storage of Cold Stored Platelets in Austere Locations	Army/ Institute of Surgical Research
85	A Case Study Evaluating the Infection Risks from Middle Eastern Respiratory Syndrome Coronavirus (MERS-CoV) in a Hospital Setting through Bio-aerosols	The Ohio State University, College of Public Health

86	Fighting Healthcare Associated Infections with Mathematics Case Studies of <i>Acinetobacter baumannii</i> and <i>Clostridium difficile</i> QMRA Models for Healthcare Transmission.	The Ohio State University, College of Public Health
87	The VITAL (Virtual Inspection and LINKUP) Program: Innovative use of Virtual Health capabilities to improve survey readiness and mitigate risk	US Army
88	Vaccine Redistribution Program: A Cost-Saving Methodology	Defense Health Agency/Public Health Directorate
89	A US Food and Drug Administration Physician's Perspective on Implanted Pacemaker and Defibrillator Technology including Benefits, Risks and Cybersecurity Vulnerabilities	US Public Health Service and USFDA
90	Forecasting the Spread of Influenza: Incorporating Department of Defense Encounter Data into the Centers for Disease Control Influenza Forecasting Challenge	Department of Defense
91	Maximizing Medical Readiness and Partner Nation Capacity Building Through Global Health Engagement Best Practices Integration and Planning Matrices	USN / Uniformed Services University
92	Outcomes from 14 Temporary Intravascular Shunts (TIVS) in Sri Lankan Combat Experience	Walter Reed National Military Medical Center
93	Surgical Case Statistics from the USNS COMFORT Deployment 2019	Walter Reed National Military Medical Center
94	Current Treatment Paradigm for Osteoarthritis of the Knee	The Johns Hopkins University School of Medicine
95	Using Nurse-Driven Daily Reporting to Increase Inpatient Influenza Screening Compliance	WRNMMC

96	The Biocompatibility and Bioactivity of Biodentine in Contact with Cementoblast Cells	United States Army
97	Value-Based Temperature Management Therapy	3M
98	Examination of diabetes remote monitoring solutions and medication adherence	Express Scripts
99	The National Museum of Health and Medicine: A Military Medical Research and Innovation Resource and How to Use It	National Museum of Health and Medicine
100	Surgical Patient Interest in Complementary Therapy - Hypnosis for Anxiety and Pain	Naval Medical Center Portsmouth
101	Identifying and Documenting Six Core Competencies for Amputation Rehabilitation	RAND Corporation
102	Improving HealthySteps Patient Follow-up Process in a Military Setting	Madigan Army Medical Center

103	Leveraging partnerships and Geographic Information System technology to provide Combatant Commands actionable health surveillance information at the speed of relevance	US Army / Defence Health Agency (DHA)
104	Post Traumatic Hypopituitarism (PTHP) in a military TBI clinic: Preliminary observations from a quality improvement project	Defense and Veterans Brain Injury Center, General Dynamics
105	The Art of Defense and Offense: Comparison of Immune-System and Military, with respect to Gulf War and Gulf War Illness	Duke University Medical Center
106	Current Status of the Defense Health Agency (DHA) Office of Technology Transfer	T2
107	Military Surgical Team Communication: Implications for Safety	US Army
108	Standardized kitting in an emergency, is it an oxymoron?	American Medical Depot
109	First-in-Human Topical Microbiome Transplantation with <i>Roseomonas mucosa</i> for Atopic Dermatitis	NIH/USPHS
110	Blood Science without Boundaries: The importance of Blood Safety and the Recipient Epidemiology and Donor Evaluation Study Program	USPHS/NIH/NHLBI
111	Comparison of Subjects with mTBI and Healthy Control Group Using POWAR-TOTAL: A Test of Return to Duty Readiness Following mTBI	USPHS

112	Improve Pre-operative Process	Naval Hospital Pensacola
113	Transforming Brain Sections into 3D Virtual and Augmented Reality: Feasibility and Expected Impact on Clinical Care, Teaching, and Research	Anatom-e Information Systems
114	Global Health Engagement: Diabetes Management in Micronesia, a Perspective from a Nurse Diabetes Educator, U.S. Navy Reservist on PP19	U.S. Navy
115	Assessing Changes in Opioid Prescribing Habits of U.S. Army Dental Corps Providers Following Completion of Opioid Prescriber Safety Training	Fort Bragg Dental Health Activity
116	Implementation of an Antimicrobial Use and Antimicrobial Resistance Surveillance System in the Military Health System	US Army, Office of the Surgeon General, Pharmacovigilance Center
117	A Dedicated Rapid Response Nurse (RRN) Program	US Navy/Defense Health Agency
118	Trauma Training & Sustainment Partnership: Improvement of Operational Readiness Knowledge, Skills, and Abilities (KSAs)	DHA J-9
119	Global Health Engagement: Seamless integration of Navy Reserve Medicine in support of Pacific Partnership 2019	US Navy Reserves

120	An Evaluation of Traumatic Brain Injury Programs at Three Naval Hospitals	CNA
121	Sphenopalatine Ganglion (SPG) Block for Headache Relief on a Military Population with a History of Mild Traumatic Brain Injury (mTBI)	Henry M. Jackson Foundation
122	Competency alignment and the need to create authentic assignments for online health care administration/management programs	Northcentral University
123	Active Duty Personnel With ST Elevation Myocardial Infarctions Are Deployment Ineligible Despite Receiving Standard Management	United States Army
124	Evolution of Mandatory Department of Defense Influenza Vaccination Training	Defense Health Agency
125	The NATO Centre of Excellence for Military Medicine	NATO Centre of Excellence for Military Medicine
126	Innovative Development and Dissemination of Clinical Recommendations for Cognitive Rehabilitation Following Mild to Moderate Traumatic Brain Injury	GDIT support to Defense and Veterans Brain Injury Center
127	Averted Vision Training to Treat Light Sensitivity of Veterans with a History of TBI	Dayton VA Medical Center

128	Development of a Comprehensive Navy Medicine Trauma Strategy	BUMED
129	(CE) Healthcare coalitions' collaboration in emergency preparedness and response(CE)	UNITED STATES PUBLIC HEALTH SERVICE/HEALTH AND HUMAN SERVICE
130	Innovation, Implementation and Beyond: The Path Forward for Remote Health Monitoring (RHM) in the Military Health System (MHS)	EMPLOYEE
131	(CE) A Risk Model for Long-term Opioid Therapy Safety (LOTS) Proactive Patient Identification Analysis and Intervention Approach in a Military Population	Deloitte Consulting
132	(CE) Introducing Integrative Medicine Techniques into a Primary Care Clinic: A Retrospective Cross-Sectional Analysis of 92 Patients	Deloitte Consulting
133	Navy Comprehensive Pain Management Program (NCPMP): How past experience can shape future success	Navy Medicine
134	(CE) Addressing Concerns About Bioequivalence Between Generic and Branded Drugs for Epilepsy Treatment	Food and Drug Administration
135	(CE) Assessing Rural Veteran Satisfaction and Outcomes with Nurse Practitioner-Led Telemedicine Visits	Veterans Administration
136	(CE) Health Services Research: A Cornerstone in the Transformation Toward Better Care, Improved Health, Lower Costs, and Increased Health Readiness	SAIC/Defense Health Agency

137	(CE) Implementation of the National Early Warning Score: Early Detection of Clinical Deterioration	Fort Belvoir Community Hospital
138	U.S Cancer Statistics: High Quality Cancer Data Published by the CDC's National Program of Cancer Registries	CDC
139	Clinical recommendations of adjustment disorder in military women based upon results of a scoping review	USUHS
140	(CE) Quality Improvement and Patient Safety: Indian Health Service (IHS) Hospitals in the Premier Hospital Improvement Innovation Network (HIIN)	Premier Healthcare Alliance
141	(CE) Solving Occupational Health Problems Through Health Hazard Evaluations	Centers for Disease Control and Prevention
142	The U.S Public Health Service Excellence in Public Health Award Program: Recognizing Emerging Public Health Physician Leaders and Increasing Visibility	Centers for Disease Control and Prevention
143	(CE) Substance abuse and Mental Health disorders among combat wounded veterans	Dept of Veterans Affairs

144	(CE) Transforming Readiness Through Innovative Partnerships: U.S. Army Reserve-Mayo Clinic Multidisciplinary Simulation Center Healthcare Team Communication Exercise	U.S. Army Reserves
145	(CE) Vertical Healthcare Networks Promote Access and Quality of Healthcare in Rural Areas	US Public Health Service
146	(CE) Community Health Care- "Extra-Clinical Care": An Innovative and Systematized Approach to Healthcare Risk Assessments for the Homeless and Undeserved Populations.	US PUBLIC HEALTH SERVICES, NOAA
147	Association of Tenofovir Disoproxil Fumarate Exposure with Chronic Kidney Disease in US veterans with HIV	
148	Use of Pediatric Early Warning Score in the Emergency Department	US Navy, Walter Reed National Military Medical Center
149	911 for America's 911 Force: Advanced Resuscitative Care for Marine Expeditionary Units	DoN
150	Donor Occurrence Management: Analysis of Donor suitability errors for prioritization of Corrective and Preventive Action	U.S. Army
151	The Case of Candida auris to Improve Health through Surveillance Data: Identifying Gaps in Antimicrobial Resistance Testing Practices	Navy and Marine Corps Public Health Center
152	Patient Satisfaction in Military Dental Clinics - Findings from the Department of Defense Dental Patient Satisfaction Survey	US Navy
153	Multidisciplinary Mock Codes: Improving Ad Hoc Resuscitation Team Performance	US Navy/Defense Health Agency

154	Teaching Point of Care Ultrasound in austere environments – a tool for immediate impact in patient care and capacity building	United States Navy / Naval Hospital Jacksonville
155	A Proof of Concept: Teaching Foreign Military Teledermatology	Naval Medical Center Portsmouth
156	Use of a Pressure Cooker to Achieve Sterilization For An Expeditionary Environment	US Army
157	IBIA Poster #644 Virtual Health to Home: a TBI Pilot Study to review feasibility, quality of care and patient satisfaction	Regional Health Command Europe
158	Development and Validation of the Japanese Disaster Nursing Readiness Evaluation Index (JDNREI)	Kobe University
159	Title TBA:	Spanish Air Force

160	Title TBA:	Spanish Air Force
161	Acute and long-term risks from preeclampsia in the US military and the civilian population	ImmunoVation, LLC
162	Optimizing Breastfeeding Support for Women Officers in the United States Public Health Service Commissioned Corps	FDA/USPHS
163	The Phenomenon of Homelessness Among Female Veterans: A Call to Action	Center for Medicare and Medicaid (CMS)
164	The Role of the Managed Care Coordinator-A Culture of Caring for Vulnerable Populations.	ICE Health Service Corps
165	A Comparison of PAC Activities across Social Media Channels with a Focus on Cross-Promotion and Partnerships	USPHS / FDA
166	Fit to Fight? Civilian Provider's Role in Optimizing Healthcare Delivery to the Warfighter	US Army
167	Military PAs Futuring: Where do we see ourselves in the next 50 years? Action Planning for the next 15 years	US Army
168	US and Military PAs Working Internationally: Lessons Learned for Continued Opportunities and Collaborative Efforts	US Army
169	Commanders Ready and Resilient Council: Products and Resources for Military PAs	US Army
170	Addressing Traumatic Birth through Group Intervention	Walter Reed National Military Medical Center

171	USPHS Annual Maternal Child Health Fair: Building Community Collaborations to Reduce Infant Mortality	PHS/HRSA
172	The use of training, drills and simulation exercises to maintain a constant state of readiness	National Institutes of Health
173	<i>Process Improvement for Non-Delayed Contraception</i>	US NAVY
174	Female Genital Mutilation in the United States	Federal Bureau of Prisons
175	Operationalizing Clinical Standard Staff Protocols in a Navy Medical Home Port and Throughout the Defense Health Agency Through Innovative Partnerships	USNH Naples, Italy

176	Streamlining the Health Assessment Continuum	Defense Health Agency/Public Health Division/Deployment
177	Analysis of an Electronic Medical Record Platform for Military Humanitarian Assistance and Disaster Response Operations	US Navy
178	New tools and Dashboards for Assessing and Improving Opioid Use and Safety in the MHS	Solution Delivery Division
179	Change Management in the Digital Age: Fostering Partnerships with Stakeholders in Healthcare	Solution Delivery Division
180	NDMS Collaboration Success: Patient Movement Operations During Hurricanes Irma and Maria in 2017	Dept. of Health and Human Services, Commissioned Corps
181	An Enhanced Policy Analysis Methodology for Identification of Policies Containing Mental Health Stigma-Increasing Language	Salient CRGT/DHA
182	Development of an Emergency Preparedness and Response Plan for ICE Health Service Corps Pharmacy Operations	ICE Health Service Corps/USPHS
183	Developing Sustainable Healthcare Capacity in Oceania Through Partnership Networking	HHS/Office of Global Affairs/U.S. INDOPACOM
184	Valuing Military Medical Research and Development Investments	Defense Health Agency
185	<i>FDA GUIDANCE: Enhancing diversity of clinical trial populations – Approaches to broaden eligibility criteria and increase enrollment of underrepresented populations</i>	U.S. Public Health Service Commissioned Corps/ FDA
186	Factors in Improving the Quality and Timeliness of cause of death reporting and their impact on public health statistics.	United States Public Health Service Commissioned Corps, U.S.
187	Youth Engagement in Sports (YES): Collaboration to Improve Adolescent Physical Activity and Nutrition	HHS

188	Enhancing Value Through Enterprise-wide Strategic Partnerships and Alliances: Establishing a DHA Strategic Partnerships and Alliances Office	Systems Plus, Inc (Affiliation: Defense Health Agency)
189	Athletic Training Medical Care for Reserve Officer Training Corps: A Report from the Athletic Training Practice-Based Research Network	University of Nevada, Las Vegas
190	Inconvenient Truths: Perspectives from the Field About the Challenges of Medically Enabling Operations in Africa.	US Army
191	Military Health History Pocket Card for Health Professions Education Trainees and Clinicians	Veterans Health Administration

192	(Intuitive Surgical) Quantifying the Impact of Government Robotic Surgical Outcomes on Operational Readiness and the Quadruple Aim?	
193		
194	Impact of Climate Change on Global Health.	United States Public Health Service
195	Disaster Response and Exposure Health Effects Research Needed on Coast Guard Responders to the 2017 Hurricane Season.	Department of the Army
196	Incident Management Team (IMT): What's in a Name? <i>ASPR Incident Response Framework</i> Fostering Public Health Partnerships, Enhancing Disaster Response Effectiveness	DHHS/OS/ASPR/ORM/Division of Logistics
197	Ethical & Regulatory Considerations of Operational versus Medical Research in DoD Healthcare Facilities & Laboratories	Air Force Office of Scientific Research
198	Reducing Pharmacy Wait Times	Walter Reed National Military Medical Center
199	Vulnerable Populations in Disasters: Residence, Resilience and Resources	US Army
200	Responder communications in disaster: <i>Is less really more?</i>	US Army
201	Cultural Humility, Improving Competence and Communication	US Army
202	Lean Six Sigma and Lean Daily Management in Healthcare	US Army
203	Feasibility and acceptability of ecological momentary assessment of service members' persistent pain and psychosocial well-being during an interdisciplinary treatment program.	Clinical and Rehabilitative Medicine Research Program, US Army
204	Design & Test Capability to do Predictive Analytics	Navy Medicine/USNA NHC Annapolis

205	A Difference-in-Difference Analysis of Changes in Quality, Utilization and Cost following a Medical Home High-Utilizer Pilot	CNA
206	U.S. Army Africa's Medical Theater Entry Portal: An Innovative Medical Readiness System	U.S. Army Africa
207	"Mission ready" Veterans Affairs leads as a force multiplier for healthcare simulation training in fixed and deployed settings.	U.S. Department of Veterans Affairs

208	Knowledge and Skills Acquisition of Clinical Nurses and Medical Technicians in the Assessment and Management of Trauma Patients Using Simulation	452D Aeromedical Staging Squadron
209	Preliminary estimates of male veteran blast exposure prevalence and lifetime illness from the Vietnam Era Health Retrospective Observational Study (VEHEROeS)	Department of Veterans Affairs
210	US Public Health Service Representation in the American Medical Association House of Delegates: A Vital Partnership Informing Healthcare Policy	CDC
211	Developing an Evaluation Process for Defense Health Agency Strategic Partnerships & Alliances - Evaluating Strategic Partnerships' Ability to Transform Healthcare	Systems Plus, Inc./Defense Health Agency
212	Collaboration is Key: Implementing an Opioid Overdose Education and Naloxone Distribution Program in the Military Health System	Cognosante (Contract Support, Defense Health Agency)
213	U.S. Public Health Service Commissioned Corps Border Screening Mission in El Paso, TX	USPHS / NIH
214	Big-Data and Healthcare Trends: Incorporating R and Tableau in the Army-Baylor Graduate Program in Health and Business Administration	US Army, Army-Baylor MHA/MBA Program
215	Implementing an Event-Based Approach to Training Simulation Program to Improve Response to High-Acuity/Low-Volume Events	Emergency Department, US Naval Hospital Naples
216	Nationwide Essay Contest Inspired High School Students to Speak Up About Mental Health	USPHS
217	Service Access Teams: Deployment Adaptability and Innovative Response Tactics to Meet the Needs of Public Health Emergencies	United States Public Health Service
218	Best Practices for Patient Experience in Military Treatment Facilities	DoD / Defense Health Agency
219	Patient Safety Dashboard Database Expands User Access to Patient Safety Reported Events (PSRs)	Walter Reed National Military Medical Center
220	A Comparison of Physical Properties of a Glass Ionomer, Resin-Modified Glass Ionomer, Conventional Nanocomposite, and Bioactive Restorative Material	US Army
221	Antimicrobial Stewardship in Correctional Settings: Thinking outside of the box	USPHS/FCC Butner

222	Leading Edge Solutions: <i>Partnering on Evidence-Based Measures of Resilience</i>	SAIC
