Nationally Recognized Experts in the Management of Opioid Use Disorder (OUD) Will Present and Answer Your Questions

PRESENTED BY:

Mark K. Greenwald, PhD

Dr. Mark K. Greenwald is a Professor and the Gertrude Levin Endowed Chair in Addiction and Pain Biology; Associate Chair of Research; and Director of the Substance Abuse Research Division in the Department of Psychiatry and Behavioral Neurosciences at Wayne State University School of Medicine. The National Institute on Drug Abuse (NIDA) has continuously funded Dr. Greenwald’s research since 1996, and he has published extensively on the neurobiology of addiction.

John J. Mariani, MD

Dr. John J. Mariani is an Associate Professor of Clinical Psychiatry at the College of Physicians and Surgeons of Columbia University; Director of Columbia University’s Substance Treatment and Research Service (STARS); and a Research Psychiatrist at the New York State Psychiatric Institute. His research has primarily focused on investigating novel pharmacotherapies for addictive disorders.

Michael A. Nader, PhD

Dr. Michael A. Nader is a Professor of Physiology and Pharmacology, a Professor of Radiology, and Director of the Center for Research on Substance Use and Addiction at Wake Forest School of Medicine. His research program combines behavioral pharmacology and brain imaging (using PET and MRI) to study the mechanisms of action of cocaine, methamphetamine, MDMA, nicotine, oxycodone, and THC that lead to their high abuse potential.

WHEN: October 28, 2020 | 8:00 pm - 9:00 pm Eastern Standard Time
Includes Q&A session

HOW: Registration is required and space is limited. Reserve your spot today.
