

AMSUS 2020 Annual Meeting CME/CE Sessions

Title	Minute	Professions									
		87	87	81	87	48	87	74	87	39	87
Assessing the operational effectiveness of modern field ventilators when used with the UPAC Draw-over anesthesia device	60	Physicians	Nurses		Physician Assistants		Other Participants		Non-Physician CME		Nurse Practitioner
Acupuncture and Acupressure for the Military Perioperative Arena	60	Physicians	Nurses		Physician Assistants		Other Participants		Non-Physician CME		Nurse Practitioner
Global Readiness and Clinical Public Health: Army Public Health Nursing as the Conduit during COVID-19 Response in Guam	60	Physicians	Nurses		Physician Assistants		Other Participants		Non-Physician CME		Nurse Practitioner
Evaluation of High-Fidelity Human Patient Simulators for Trauma Skill Training	60	Physicians	Nurses		Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Low-Volume High-Risk Surgical Procedures and a Ready Surgical Trauma Force: Reports from the Defense Health Board	60	Physicians	Nurses		Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Government DaVinci Robotic Program for Surgical Excellence and How it Aligns with the Quadruple Aim	60	Physicians	Nurses		Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Case Report of a Large Substernal Parathyroid Cyst and Review of the Literature	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants		Non-Physician CME		Nurse Practitioner
The Effects of Burn Pit Exposure on the Respiratory Tract: A Systematic Review	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants		Non-Physician CME		Nurse Practitioner

Update on Indirect Traumatic Optic Neuropathy	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants		Non-Physician CME		Nurse Practitioner
The Intersection of Pain, Anxiety, and Depression	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants		Non-Physician CME	Psychologist	Nurse Practitioner
Use of Virtual Technology to Maximize Access to Quality and Safety Expertise in the Operational Environment	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Development of a Prolonged Field Care (PFC) Training System: Harnessing the Federation of The Joint Evacuation and Transport Simulation (JETS) System	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Advancing Operational Readiness and Global Health Engagement: Military Women's Desire for Access to a Readily Available Urogenital Self-Test/Self-Treatment Kit	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Food Safety and Risk of Foodborne Illness at a Food Center Extension: Toolkit for Front-line Volunteers.	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
ADvanced Virtual Support to OpeRational Forces (ADVISOR) – Delivering Support to the Point of Need	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Operating at the Decisive Point: Damage control decisions in the dispersed battlespace	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Recommendations for Mass Immunization Events During Pandemic Conditions	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner

The QUiC clinic Method: Obtaining Value-based Primary Care in the Central Texas Market	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Optimizing the Capabilities of a Medical Treatment Facility's ICU and Inpatient Ward for Readiness	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
A Theater Special Operations Command's Response to the COVID-19 Pandemic: Continuing Operations while Protecting the Force across Multiple Continents	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Environmental exposures: A trigger for cascading biological effects in Gulf War Illness	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Keeping Pace with Industry in Blood Therapies-ASBP Manufactures COVID-19 Convalescent Plasma as a therapeutic treatment option	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Seizing Market Opportunities in the COVID-19 Crisis	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
COVID-19 Outbreak on a Deployed Submarine: What We Did This Time, What We Will Do Next Time	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Self-Reported Exposure and Respiratory Disease Among Deployed Veterans: Results from the Comparative Health Assessment Interview (CHAI) Research Study: Preliminary Findings	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner

The critical role that research regulatory oversight plays in streamlining research during an emergency response scenario	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Can a Theater of Joint Medical Operations be a highly reliable system of care? YES!	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
The Veterans Health Administration and Military Treatment Facilities' Utilization of FDA's Oncology Expanded Access	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
PACE Sickle Cell Disease Workgroup: Advancing Health Professionals Understanding of Opioid Use for Pain Management	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Leading Change on the HRO Journey: Lessons Learned from the USAF and VHA	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Health Care Utilization Among MHS Patients: Differences between High and Low Utilizers of Care	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Collaborative Science OCONUS to advance Force Health Protection and Theater Partnerships: case study of Hospital Hand Hygiene in Liberia	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Psychological Healthcare in the Military Health System: Implications for Implementation	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Tele-Behavioral Health: Tri-Service connections of behavioral health services through digital communications in an era of social distancing and safety.	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner

Leading the Culture Transformation to High Reliability and World-Class Customer Service at the VA	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Providing Evaluation and Treatment to Remote Populations in the Era of COVID	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Suicide Prevention within the Veterans Health Administration: A Full Public Health Approach	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
The Portable Warrior Test Of Tactical Agility (POWAR-TOTAL): Service Members with Concussion Improve Performance After Rehabilitation	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Validated Signs and Symptoms of Combat Stress Reactions (CSRs)	60	Physicians	Nurses	Pharmacists	Physician Assistants		Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
An Update on the Surgeon General's Report on Oral Health & the Impact of COVID-19 on Oral Health	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants		Non-Physician CME		Nurse Practitioner
Traumatic Wound Irrigation with Multiple Tissue Exposure Using a Wound Debridement and Cleansing System containing 0.05% Chlorhexidine Gluconate	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants		Non-Physician CME		Nurse Practitioner
The Oral-Systemic Connection - It's Not Fake News! A Modern Case Report of Severe Periodontitis in an Uncontrolled Diabetic	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants		Non-Physician CME		Nurse Practitioner
Antimicrobial Peptides in Dentistry: Development of an Anti-Plaque Chewing Gum	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants		Non-Physician CME		Nurse Practitioner
Utilization of Military Teledentistry, Past, Present and Future	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants		Non-Physician CME		Nurse Practitioner

Antibiotic Stewardship in Dentistry: Why, How and Other Questions	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants		Non-Physician CME		Nurse Practitioner
Painful Oral Lesions	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Individual, Community and Military Medical Readiness-Under Appreciated Early Detectors of Disease-The Need for Dental and Vision Exams	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Preparing for Large Scale Combat Operations through Global Health Engagement with a Purpose: Medical Interoperability and Medical Support to Resistance	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
How Blood Safety Assessments Move Us Closer to Interoperability	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Penicillin Allergy Validation Project	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
A Comprehensive Overview of the U.S. Army Dentistry response to COVID-19	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
USPHS Leadership Day	180	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
Utilization of USAF Dental Personnel During the COVID-19 Pandemic	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner
A Global Perspective on Oral Health	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME		Nurse Practitioner

Lessons Learned While Developing the Defense Health Agency's Procedural Instruction for Suicide Risk Care	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Health Services Research: Enabling Expertise for the Military Health System in the Time of COVID-19	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
VA's Transformation to High Reliability: Leadership, Culture, and Continuous Improvement	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
How the Trauma System became the Pandemic System: Joint Trauma System COVID-19 Registry	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Leading the Mindset Transformation to Health and Readiness	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Poster Hall	120	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
DoD Health Disparities and COVID-19	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Updates in Medical Readiness and Deployment Health	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
National Pandemic Response New York City: Urban Augmentation Task Force 005-1 NYC H+H/Elmhurst hospital DOD: Operation Gotham 2020	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Community Integration of Service Members and Veterans	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner

Continuous Remote Patient Monitoring (CRPM): Creating a System of Support in Response to COVID-19	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
A Comprehensive Overview of the U.S. Army Dentistry response to COVID-19		Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Prevalence and Risk Factors of Tobacco Use among U.S. Service Members	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Cultivating a Culture of Medical Safety: Rethinking the Securement of Interventions in Combat Casualty Care	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Understanding the Organization of Military Medical Services Across the World	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Factors Influencing Eating Behaviors Among Active Duty Enlisted Sailors in Non-Deployed Settings	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Data to Win the COVID War: Joint Trauma System COVID-19 Registry Preliminary Results	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Defining Gulf War Illness – Two Innovative Projects at VA Attempt to Resolve an Unmet Need for Our Gulf War Veterans	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
The Future of Virtual Health for Service Members and Veterans	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner

Naloxone Co-Prescription Policy Implementation: Pilot Program and Scale-Up Effort to Promote Behavior Change and Reduce Overdose-Related Mortality in Military Beneficiaries	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Virtually Integrated Patient Readiness and Remote Care Clinic (VIPRR): An Effective Model for Delivering Virtual Medical Readiness & Urgent Care Support	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Understanding the impact COVID-19 through an economic and military perspective: implications for national healthcare policy.	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Updates on Recommendation for Smoking and Vaping during the COVID-19 Pandemic	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Digital Health Technology in a COVID-19 World	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Cleaning agents during Pandemic: Lesson Learned from Health Care Providers in Other Countries.	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
STOP OD: Prevent Deaths from Opioid Overdose	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Institutional Betrayal, Institutional Courage, and Environmental Exposure Concerns: A Primer for Federal Health Care Professionals	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner

Building Healthy Military Communities to enhance human performance and health outcomes: Initial Findings	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Telehealth for COVID-19 and Beyond	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Buddy Care, A Peer-to-Peer Intervention: A Pilot Project to Decrease Occupationa Stress Among an Overseas Military Population	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
Evaluation of Active Duty Women and the Healthy People 2020 (HP 2020) Initiative	60	Physicians	Nurses	Pharmacists	Physician Assistants	Dentists	Other Participants	Health Care Executives	Non-Physician CME	Psychologist	Nurse Practitioner
