

## Continuing Education Information

### AMSUS

#### **022 Responding to COVID-19 among U.S. Military Units in South Korea: The United States Forces Korea's Operation Kill the Virus**

**Authors:** Sharon Yeji Kim, MS; Kenny Lee, MS, USA; Jason Tussey, IN, USA; Eric J. Dougherty, USMC; Stephen C. Williams, USAF; Robert B. Abrams, USA; Clinton K. Murray, MC, USA

**Journal Article CE Activity: Release Date: 01 January 2021**

#### **Continuing Education Information**

This continuing education activity is provided through a collaboration between AMSUS and AffinityCE. This activity provides continuing education credit for physicians, physician assistants, nurses, nurse practitioners, healthcare executives as well as providing a statement of participation for other attendees.

#### **Learning Outcomes**

- (1) Understand how the United States Forces Korea (USFK) effectively responded to a novel virus using the 8 principles of Operation Kill the Virus, which can be applied to future outbreaks.
- (2) Analyze the background, scope, and impact of the COVID-19 pandemic on military units using USFK's response in South Korea as an example.
- (3) Recognize the importance of joint collaboration and local/global community engagement in executing an effective emergency health response.

#### **Disclosures**

Authors have no relevant financial interests to disclose.

AffinityCE staff, AMSUS staff, planners, and reviewers have no relevant financial interests to disclose.

#### **Physicians**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of AffinityCE and AMSUS. AffinityCE is accredited by the ACCME to provide continuing medical education for physicians.

AffinityCE designates this journal-based CME activity for a maximum of 1 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Physician Assistants**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of AffinityCE and AMSUS. AffinityCE is accredited by the ACCME to provide continuing medical education for physicians.

AffinityCE designates this journal-based CME activity for a maximum of 1 *AMA PRA Category 1 Credits™*. Physician Assistants should claim only the credit commensurate with the extent of their participation in the activity.

### **Nurses**

Nursing continuing education for nurses is provided for this program through collaboration between AMSUS and AffinityCE. AffinityCE is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation (ANCC). This activity provides a maximum of 1 contact hours of nurse CE credit.

### **Nurse Practitioners**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of AffinityCE and AMSUS. AffinityCE is accredited by the ACCME to provide continuing medical education for physicians.

AffinityCE designates this journal-based CME activity for a maximum of 1 *AMA PRA Category 1 Credits™*. Nurse practitioners should claim only the credit commensurate with the extent of their participation in the activity.

### **Health Care Executives**

AffinityCE is authorized to award up to 1 hour of pre-approved American College of Healthcare Executives (ACHE) Qualified Education credit (non-ACHE) for this program toward advancement or recertification in the ACHE. Participants in this program wishing to have the continuing education hours applied toward ACHE Qualified Education credit should indicate their attendance when submitting an application to the ACHE for advancement or recertification.

### **Other Professionals**

All other health care professionals completing this continuing education activity will be issued a statement of participation indicating the number of hours of continuing education credit. This may be used for professional education CE credit. Please consult your accrediting organization or licensing board for their acceptance of this CE activity.

### **Commercial Support**

No commercial support was provided for this activity.

## Participation Costs

There is no cost to participate in this CE activity as an AMSUS member. Non-members, please consult the AMSUS web site.

## CME Inquiries

For all CME policy-related inquiries, please contact us at [ce@affinityced.com](mailto:ce@affinityced.com).

## How to Earn CE Credit

1. Go to the URL provided via e-mail.
2. Select the activity: **021 MILMED: Operational Virtual Health Modalities Increased Combat Power for 1st Squadron, 2nd Cavalry Regiment During the Enhanced Forward Presence Mission**
3. Enter an e-mail address and password to begin setting up your profile. Select "I Forgot My Password" if you need to reset the password you set up.
4. Verify, correct, or add your information.
5. Proceed to view the content, examine any images and/or multimedia features, and review the content presented within the links provided.
6. Proceed to complete the post-test and evaluation for the activity. The post-test has a passing score of 80% and may be retaken.
7. Upon successful completion of the post-test and evaluation, you can download your CE Certificate. Your CE record will also be stored here for later retrieval.
8. The website is open for completing your evaluation for one year following release.
9. After the website has closed, you can come back to the site at any time to download your certificate, but you will not be able to add any evaluations.

Please send any technical or customer support requests to [cgs\\_support+amsus@affinityced.com](mailto:cds_support+amsus@affinityced.com).
