027 The Potential Effects of Burn Pit Exposure on the Respiratory Tract: A Systematic Review

Authors: LT James McLean, MD, MC, USN; LCDR Danielle Anderson, DO, MC, USN; CDR Gregory Capra, MD, MC, USN; MAJ Charles A. Riley, MD, MC, USA

Journal Article CE Activity: Release Date: **1 September 2021**. Expiration Date: **31 August 2022**.

Continuing Education Information

This continuing education activity is provided through collaboration between AMSUS and AffinityCE. This activity provides continuing education credit for physicians, physician assistants, nurses, nurse practitioners, pharmacists, and healthcare executives. A statement of participation is available to other attendees.

Learning Objectives

At the end of this activity, participants should be able to:

- Characterize the effects of burn pit exposure on the upper and lower respiratory tracts.
- Define the self-reported incidence of lower respiratory tract diseases among post-deployed service members with burn pit exposure.
- Identify the particulate matter central to respiratory concerns in burn pit smoke

Disclosures

AffinityCE staff, AMSUS staff, and planning and review committees and authors have no relevant financial interests to disclose.

Physicians

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of AffinityCE and AMSUS. AffinityCE is accredited by the ACCME to provide continuing medical education for physicians.

AffinityCE designates this journal-based CME activity for 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of AffinityCE and AMSUS. AffinityCE is accredited by the ACCME to provide continuing medical education for physicians.

AffinityCE designates this journal-based CME activity for 1 *AMA PRA Category 1 Credit™*. Physician Assistants should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

Continuing Nursing Education is provided for this program through the joint providership between AMSUS and AffinityCE. AffinityCE is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation (ANCC). This activity provides a maximum of 1 contact hour of continuing nursing education credit.

Nurse Practitioners

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of AffinityCE and AMSUS. AffinityCE is accredited by the ACCME to provide continuing medical education for physicians.

AffinityCE designates this journal-based activity for 1 *AMA PRA Category 1 Credit™*. Nurse Practitioners should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacists

AffinityCE is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This knowledge-based activity will provide 1 contact hour of continuing education credit. ACPE Universal Activity Number **0829-9999-21-118-H04-P**. Participant CE records will be electronically communicated to CPE Monitor. There is no cost to participate in this activity for AMSUS members.

Health Care Executives

AffinityCE is authorized to award up to 1 hour of pre-approved American College of Healthcare Executives (ACHE) Qualified Education credit (non-ACHE) for this program toward advancement or recertification in the ACHE. Participants in this program wishing to have the continuing education hours applied toward ACHE Qualified Education credit should indicate their attendance when submitting an application to the ACHE for advancement or recertification.

Other Professionals

All other health care professionals completing this continuing education activity will be issued a statement of participation indicating the number of hours of continuing education credit. This may be used for professional education CE credit. Please consult your accrediting organization or licensing board for their acceptance of this CE activity.

Commercial Support

No commercial support was provided for this activity.

Participation Costs

The cost to participate in these CE sessions is included in the registration cost of membership.
