Additional surcharges will apply if any requests exceed AMSUS standard scope of work. AMSUS will provide one set of promotional samples to submit for approval. Please plan accordingly for all requests necessary for compliance.

3) Customized Sponsorship Package – prices vary

AMSUS offers customized sponsorship packages over 3, 6 or 9 months that includes a mixture of AMSUS hosted, sponsor hosted and/or enduring content over an contracted period of time.

4) Support existing webinar/regional seminar – prices vary

Interested in supporting the content from a federal agency hosted webinar or regional seminar? Reach out to AMSUS for more information on how you can collaborate as a corporate sponsor.

Webinar Guidelines

- Webinar session may highlight a particular product or service as long as it is relative with the topic (please avoid sales pitches, and provide educational outcomes)
 - Topic must be approved by AMSUS
 - Product/drug topics may bring in a lower number of attendees
- AMSUS will promote the webinar to our members which includes federal and industry healthcare professionals
- Sponsor will help promote event through channels outside of AMSUS reach – internal agency, customers, and social media platforms

Webinar Promotions include:

Weekly promotional email to AMSUS audience (*approximately 10k emails*), webinar listing on AMSUS website & social media platforms, and in weekly SmartBrief newsletter. [View current scheduled webinars](#)
