Industry Education Resource Submission Form

Content submitted is to provide educational opportunities to federal health care professionals in a convenient, on-demand platform, and consistent with regulatory approved training materials. Current EAB or SM Membership is required to participate.

Please complete one(1) form per topic item.

In order to maintain highest standards of integrity, URL link should direct HCP to content on 'how' to use, not 'why' to use.

Complete then Submit to Lori.Lawrence@amsus.org
